Please include the item number and description of the item(s) for which you are requesting a waiver. Please include the reason that you are requesting the waiver. A reference may be made to a brand to convey product attributes, but no waiver will be authorized solely based on any brand of an item.

We are keeping a limited number of sanitizing wipe and mask items. Please use this as a waiver for sanitizing wipes and masks other than those listed below. If you have a requirement for fit testing N95 masks, please use this as a waiver for that type of mask as well.
